Counsel further request that follow-up *voir dire* be permitted, as necessary, based on the responses provided by jurors.

**JUROR QUESTIONNAIRE**

**INSTRUCTIONS**

The case for which you have been summoned for jury selection is a civil action entitled *Anthony Rapp versus Kevin Spacey*.

This questionnaire is designed to obtain information about you and your background as it relates to your possible service as a fair and impartial juror in this case. The use of this questionnaire is intended to make jury selection more efficient and save you time on the day you appear for jury selection. The questions are not asked to invade your privacy, but to help select the best possible jury for this case. If there is any reason why you might not be able to give both sides a fair trial in this case, it is important that you say so.

All answers to this questionnaire will be kept confidential and you are instructed not to discuss this case or this questionnaire with anyone, including fellow prospective jurors. The information you provide will be made available only to the Court, the parties, and the persons participating in this case on behalf of the parties.

Because this questionnaire is part of the jury selection process, it is to be answered under your oath as a prospective juror. You have a legal obligation to tell the truth. It is very important to the jury selection process that your answers be your own.

You also are further ordered not to email, text, blog, or conduct any kind of research about this case or any of the issues, parties or attorneys involved in the case with anyone. This Order will apply from now until the end of the trial and your service as a juror. What you learn about the case you will learn in court only.

Your cooperation is of the utmost importance. Please respond to each question as fully and as completely as you can. Your complete candor and honesty are necessary so that both parties will have a meaningful opportunity to select a fair and impartial jury.

Please keep in mind that there are no “right” or “wrong” answers to any question, only truthful or untruthful, or complete or incomplete answers. Truthful answers are required. The Court may ask you follow-up questions. Complete answers to the questions contained in the questionnaire are far more helpful than incomplete answers and will help to avoid further questioning.

Please fill out the entire questionnaire. Do not leave any questions blank. If a question does not apply to you, please write “N/A” in the space provided for the answer rather than leaving the space blank. If you “do not understand the question,” please write those words in the space for the answer. If you need more space for your response, or wish to make further comments about any question, please use the explanation sheet at the end of the questionnaire. If you use the explanation sheet, please make sure to indicate which numbered question you are answering.

Please return the questionnaire to the Jury Clerk and you will be further instructed on the date you will return to Court.

DATED: \_\_\_\_\_
